ENJOY THE WORDSWISH CHALLENGE

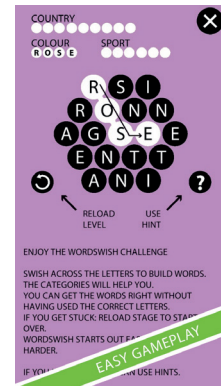

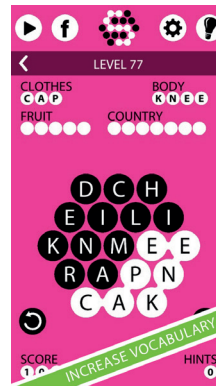

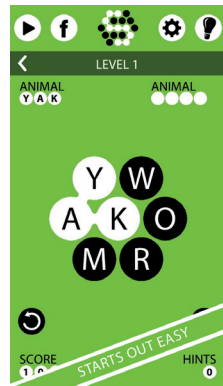

PRESS RELEASE · FOR IMMEDIATE RELEASE

APRIL 22 · 2016

A new word game for the true word puzzle game enthusiast

WordSwish is now available in an app store near you.

It starts out easy – but you will be challenged soon enough. Find the hidden words. The categories will assist you. Swish your finger across the letters, spell the right words and use all the letters to finish.

WordSwish is a word puzzle game with unique features: This word puzzle game does more than just entertain you. This unique game has several other great educating and brain optimizing advantages:

You can **increase your vocabulary** and broaden your word knowledge and even **optimize your brain health**. Studies show that word puzzles like **WordSwish**, can **improve you brain health** as well as your intelligence. **Improve your spelling skills** by learning as you play. Watch your spelling abilities get better while enjoying **450 word puzzles**. Hours of good clean fun awaits you. **For free.**

"My goal when designing this app was to make a game that was both fun, challenging and educational", says creator Jorgen Wede.

WordSwish is **FREE** and available for **iPhone** at the Apple App Store and for **Android** devices at Google Play.

You can also visit www.wordswish.com for more info. *Enjoy :-)*
